

Providers for  
Parents

# Providers for Parents: A new way for supporting St. Louis families

Raising St. Louis  
Program Innovation Pitch

Presented By  
**Torrie Real**

April 27, 2021

# Program Priorities

Funding will go towards helping providers give quality care to their patients through training and skill building, and holistically support moms and babies.

ACTIVITIES	KEY INDICATORS	DATA SOURCES/TIMELINE
<b>Interprofessional &amp; cultural competency/humility training</b>	<ul style="list-style-type: none"><li>• Number of students that completed all training sessions.</li><li>• Number of missed training sessions.</li><li>• Perceived acceptability of training .</li></ul>	<ul style="list-style-type: none"><li>• <i>Do providers feel that training are efficient and of quality? How is it changing behavior?</i></li><li>• Educational Survey/ Online data entry log</li><li>• Throughout implementation</li></ul>
